**1 ITEM 24 SHADED AREA**  
CMS guidance suggests entering the NDC as follows: "N4," the 11-digit NDC, UoM "ML," and quantity (mLs per PFS)<sup>2</sup>

**3 ITEM 24D CPT/HCPCS**  
Enter the HCPCS code for BOSAYA and Current Procedural Terminology (CPT®) code for the subcutaneous (SC) injection. Add appropriate modifiers

**2 ITEM 19 ADDITIONAL CLAIM INFORMATION**  
**Payers will likely require the following drug-identifying information to be reported in the Comment field:**

- Drug name (brand and generic), dose, amount administered, NDC and NDC qualifiers, and route of administration

**Payer guidance may vary so check with individual health plans to confirm requirements**

**4 ITEM 24G UNITS**  
**Q5161** has a unit value of 1 for every 1 mg administered; 60 units indicates 60 mg

**Disclaimer:** Please note that coding is subject to change and should be verified for each patient prior to treatment. This information is current as of January 2026 and is provided for informational purposes only. It is not intended as legal advice or to replace a medical provider's professional judgment. It is the sole responsibility of the treating healthcare professional to confirm coverage, coding, and claim submission guidance with the patient's health insurance plan to ensure BOSAYA claims are accurate, complete, and supported by documentation in the patient's medical record. Biocon Biologics does not guarantee that payers will consider all codes appropriate for all encounter scenarios, and Biocon Biologics does not guarantee coverage or reimbursement for BOSAYA.
