1 ITEM 24A SHADED AREA

If line item NDC reporting is required, enter the NDC and UoM information in the shaded portion on Row 1 of this section. Payer requirements for NDC entries may vary

2 ITEM 24D CPT/HCPCS

Enter the HCPCS code for YESAFILI and Current Procedural Terminology (CPT®) code for the intravitreal (IVT) injection. Other codes may apply

3 ITEM 24G UNITS

Q5155 has a unit value of 1 for every 1 mg administered; 2 units indicates 2 mg

Disclaimer: Please note that coding is subject to change and should be verified for each patient prior to treatment. This information is current as of June 2026 and is provided for informational purposes only. It is not intended as legal advice or to replace a medical provider's professional judgment. It is the sole responsibility of the treating healthcare professional to confirm coverage, coding, and claim submission guidance with the patient's health insurance plan to ensure YESAFILI claims are accurate, complete, and supported by documentation in the patient's medical record. Biocon Biologics does not guarantee that payers will consider all codes appropriate for all encounter scenarios, and Biocon Biologics does not guarantee coverage or reimbursement for YESAFILI.

Please see [Full Prescribing Information](#) for YESAFILI.
